

April 17, 1952

Dear Joe:

Your reprint and note just received. On checking, I was astonished to find no record of the reprints that may have been sent to Lu and yourself. I would appreciate it if you two would list what papers of mine you do have, and I will try to make up the deficiency as far as possible. I haven't sent many out lately; am waiting for the CSH volume reprints to make a big mailing all at once.

Sincerely,
